YOUTH THEATRE STAR RAIN

The play “Star Rain” is based on the work of Leonid Yengibarov, a famous artist who was called “a clown with autumn in his heart”.

Lonely lamplighter, timid and eccentric, lives a regular life in which days changes nights. Every day is similar to one another, and everything goes as it comes until a star falls from the sky... And then all is changed: new people with bright characters, own nature, way of behaving, and talents appear. Feelings, emotions, actions pour down to the heroes of the play like “Star rain”. New life brings to the dull clown most important thing that he has been waiting for – a Dream! Striving for it the Lamplighter will go through many disappointments, falls and losses, and in the end only a vivid memory of it will remain in his life... his whole world plunged into boredom and dullness... A dream does not live here anymore.

Thus, it is time to move on. Clinging to a fragile hope the Lamplighter move forward – to a new dream! And he his followed by the other characters. They move towards the shine of the stars!
