LES PERROQUETS DE BANGUI VETERANS

The message from the Perroquets de Bangui is supranational, it speaks of Africa and the rest of the world. "A strong message against bad governance and the many scourges that paralyze our dear Africa". Far from imaginations, this content is inspired by the real continent history, the result of proven documentary research aimed at all of humanity and more particularly Africans without exclusivity.

The play deals with contact with the white man, recruitment, as well as military life with in particular the question of compensation for the efforts made but also the Prestige which has given them this quality of Veteran in society.
